Our Summer Camp introduces children to an exciting world of creativity, movement, and fun. Each week long workshop is designed to encourage creativity through the exploration of a theme using dance, arts, crafts, music and food.

Week 1: July 5-9 “Stars and Stripes”

Following in the tradition of the great choreographer George Balanchine, and the legendary composer, John Philip Souza, the children will create a star spangled salute to the great American march. The children will munch on flag cookies and sip Liberty punch, while designing patriotic tutus, drums and flags.

Week 2: July 12-16 “The Mad Hatters Tea Party”

A Tea Party will feature Carrot Cookies, Queen of Heart Tarts and Alice’s Apple Tea. The children will decorate cookies, paint teacups, design a gown for the Queen of Hearts and create Mad Hatter Hats. Exploring the asymmetrical, accelerated movements of the White Rabbit and the Mad Hatter, the slow laborious movement of the Queen of Hearts and the Caterpillar, and running the Carcass Race with the “Dodo Bird and his friends the children’s movement vocabulary will grow bigger than Alice in the rabbit hole, culminating in a final Tea Party all their own.

Week 3: July 19-23 “Princess and Fairy Magic”

This magical week will find the children hard at work constructing puppets, wondrous King and Queen hats, tutus befitting any Princess and a Castle fit for a kingdom. Each mythical creature will come to life with movement conjured up in the imagination only a child can harness. The children will piece together a movement story depicting a time long ago. A feast of Fairy dusted cakes, Dragon cookies, Wizard Soup and Princess Punch will quench the hunger and thirst of these characters from long ago.
